## Audition Notice!

AMERICAN REPERTORY BALLET  
PRINCETON BALLET SCHOOL

# *Nutcracker*

ARB's Nutcracker is a professional production of American Repertory Ballet in which students from Princeton Ballet School appear as guests. Auditions for children's roles are open to Princeton Ballet School students registered in Primary B and up. Performances will take place between November and December at venues in New Jersey.

If cast, you may dance alongside Clara in the party scene, taunt her as a mouse or battle evil rats as a soldier in the epic battle scene, or float through a magical snow scene as an angel. If cast, you will appear in approximately 1/3 to 1/2 of the performances.

As a student of Princeton Ballet School enrolled in Primary B through Level 5 FLEX, your child may choose to audition if s/he measures 3'8" (44 inches) or taller and is at least 6 years old by October 1. We will be using both new and existing costumes for the production, so there are very specific height requirements to audition.

To learn more visit our website after August 31 when you will be able to download the Nutcracker Audition Information Packet.
