

MIDDLETOWN ARTS CENTER & ZOOM 2021

American Repertory Ballet's *Dance for Parkinson's Program* is for
people with Parkinson's Disease and their caregivers.

Each class has live music, creates a warm sanctuary for movement exploration, and a social atmosphere to support artistic venture.

- ★ Classes are infused with guided imagery, vocalization, and movement to provide participants with a dynamic experience.
- ★ Participants are encouraged to 'think like dancers,' be creative, and expressive.
- ★ Open to all levels of ability! Although participants may experience therapeutic relief, this class is not considered therapy, but a place where people come together to move, share, and enjoy the elements of dance.
